

SoilNoc™ BP

Guaranteed Analysis

Bacteria 100 Billion CFU/g

Non-toxic – Non-pathogenic – Environmentally Safe

A highly concentrated blend of scientifically selected natural soil microorganisms with a proprietary biostimulant base. Microbial Inoculant used to promote a healthy soil environment for better plant growth.

DIRECTIONS: Apply 33 - 100 grams per hectare, (1oz - 3oz per acre or banded acre) three to four times per crop cycle.

Pasture: apply Spring and Fall on well managed pastures. More frequently on stressed or heavily grazed until conditions improve.

Higher concentrations should be applied in early Spring, Fall, between crop rotations, or periods of environmental stress.

Can be tank mixed or blended into a dry-mix and applied with fertilizer.

Apply directly on cover crop before shredding or tilling into soil.

DIRECTIONS (cont'd): Apply with irrigation, drip line or with a broadcast sprayer onto moist soil. Dilute with up to 10 gallons of water per acre. Agitate well. Watering into soil increases effectiveness. Apply within 24 hours of dilution. Will not burn crops even at higher amounts.

COMPATIBILITY: Can be mixed with fertilizer. Avoid bactericides, harsh chemicals, chlorinated water, highly acidic or alkaline solutions. Perform a jar test before any high volume mixing.

STORAGE: Keep container tightly sealed. Product is hygroscopic. Store in a dry cool place. Protect from freezing. Do not store product after dissolving in liquid.

CAUTION: Keep out of reach of children and pets. Product is safe and non-toxic when used as directed. Do not ingest or inhale. Avoid contact with eyes or skin. Flush with water in case of contact.

Conditions of Sale and Warranty: NO WARRANTIES ARE EXPRESSED OR IMPLIED. Due to variations in weather, soil and/or crop conditions, AgVerra and/or Seller make no warranty, either expressed or implied or no other implied fitness for purpose or merchantability warranty. Neither AgVerra or Seller shall be liable for any loss, injury, or damage either direct or consequential from the use or handling of this product. BUYER ASSUMES ALL RESPONSIBILITY FOR PROPER USE OF THIS PRODUCT AND SUITABILITY FOR BUYERS INTENDED USE.
